

## Become a College Station Firefighter

# JOIN US TODAY!

### JOB OPPORTUNITY

The City of College Station is seeking qualified paramedics and firefighters/paramedics to fill vacancies in the College Station Fire Department. Duties include:

- Provide firefighting services and emergency medical assistance to ill and injured persons.
- Assist in the maintenance and repair of Fire Department facilities, vehicles and equipment.
- Perform surveys of businesses to identify fire hazards and help owners and managers eliminate those hazards.
- Assist with fire training classes, firefighting drills, and public education programs.

*See website for complete list duties and responsibilities.*

All applicants must have a current TXDSHS Emergency Medical Technician-Paramedic certification OR TCFP Basic Structural Firefighting certificate AND a current TXDSHS Emergency Medical Technician certificate. Applicants with certifications from other states must convert to Texas-based certifications prior to the conditional job offer.

*See website for complete list of minimum entry requirements.*
