

Wellborn Restricted Suburban Concepts

Purpose Statement

This district is generally for areas that should have a moderate level of development activities. These areas will tend to consist of medium-density single-family residential lots (minimum 20,000 square feet) and may be clustered for reduced lot sizes (minimum 8,000 square feet). When using the cluster option, open space should be provided so density is not increased. Such open space should be in addition to a minimum open space requirement of 15% of the developing area.

Comprehensive Plan

This zoning is appropriate in areas designated Wellborn Restricted Suburban on the Comprehensive Plan.
