Emergency: 979.764.3600

PROCESS TO ENTER PARKING GARAGE

There are two entrances at the parking garage. One on Second Street and the other on College Main.

Upon entering the Parking Garage, pull up to the Entry Verifier (see below) located on the left side of the drive. *Your vehicle MUST be adjacent to the verifier for your access card to scan correctly.*

Entry Verifier

Scan Access Card Here

To scan your access card, hold the card up to the black box on the Entry Verifier panel. You will see the light blink and hear a beep as it scans your card.

Once your card has scanned, the gate arm will lift and you may pull forward into the garage. The same process applies when exiting the garage. This system works on a once in/once out basis.

If for any reason the gate arm does not open, press the assistance button to contact garage staff or call the **24 Hour** number at **979-764-3600**.

FREQUENTLY ASKED QUESTIONS

What do I do if my access card does not work?

Press the red button for assistance from garage staff. If there are no staff on duty, please call either 979.764.6313 or 979.764.6286. In case of no answer, call police dispatch at 979.764.3600.

What do I do if the gate arm does not open?

Notify parking garage staff or call the 24 Hour assistance number located below. Do not manually lift the gate arm. Additional charges may be incurred for damages if the gate arm is lifted.

Can I let someone else use my access card?

***No.** If you allow someone out of the gate using your card, you will not be able to regain access into the garage. You will have to pay for a "Lost" ticket and your garage privileges may be revoked.*

What will happen if I follow someone out, break the gate, lift the gate arm, or damage equipment?

This is considered "theft of service" and you will receive a notification from the College Station Municipal Court indicating a civil parking violation. Your garage privileges may be revoked.
