

## RE-ROOFING

### GENERAL INFORMATION

Re-roofing of residential structures requires a building permit when replacing shingles, or replacement of decking and shingles. A homeowner can perform this work at his homestead and does not need to register as a contractor with the City, but must apply for a building permit prior to beginning any construction. If a contractor is used, that contractor must be [registered](#) with the City of College Station. All materials used for residential re-roofing purposes must have a minimum class C fire rating.

### APPLICATIONS & FEES

To obtain a permit please contact Planning & Development Services (979) 764-3570 or visit our offices at 1101 Texas Avenue. A [permit fee](#) is required.

### PLANS SUBMITTAL REQUIREMENTS

None.

### INSPECTIONS

An inspection will be required upon completion of work. Please contact Planning & Development Services at (979) 764-3570 or visit [eTRAKiT](#) to schedule an inspection.

### ADDITIONAL INFORMATION
