

CARPORT

GENERAL INFORMATION

A permit is required for the installation of a carport. A homeowner can perform this work at his homestead and does not need to register as a contractor with the City, but must apply for a building permit prior to beginning any construction. If a contractor is used the contractor must be [registered](#) with the City of College Station.

APPLICATIONS AND FEES

To obtain a permit an [Application for Building Permit](#) must be completed and submitted along with one (1) copy of the building plans. A [permit fee](#) is required upon approval of application. Submission for a building permit should be made through our online [eTRAKiT](#) system.

PLANS SUBMITTAL REQUIREMENTS

- A copy of a site plan or property survey with dimensions indicating the location of the carport on the property.
- A plan with dimensions indicating how the structure will be constructed and anchored. This plan should include materials used and spacing of framing members.

INSPECTIONS
