

**LAURA LANE SIDEWALK PROPOSAL – 8 questionnaires returned**

Do you own property with frontage on Laura Lane?

YES -4                      NO -4

Do you live in a home with frontage on Laura Lane?

YES -3                      NO-5

Should a sidewalk be installed on one side of Laura Lane?

YES -5                      NO-3 (2 that live on the street, 1 that owns property)

Additional Information: We have landscaping and beautiful trees

It is time to realize that sidewalks are not socialist.

**PINE RIDGE DRIVE SIDEWALK PROPOSAL – 4 questionnaires returned**

Do you own property with frontage on Pine Ridge Drive?

YES -0                      NO -4

Do you live in a home with frontage on Pine Ridge Drive?

YES -0                      NO -4

Should a sidewalk be installed on one side of Pine Ridge Drive?

YES - 4                      NO -0

Additional Information: Enhance ability to walk from neighborhood to Park.

**ANGELINA CIRCLE SIDEWALK PROPOSAL – 11 questionnaires returned**

**\*\*all resident/property owners of the area voted “no.” All non-resident/property owners voted “yes.”**

Do you own property with frontage on Angelina Circle?

YES-5                      NO-6

Do you live in a home with frontage on Angelina Circle?

YES-5                      NO-6

Should a sidewalk be installed on one side of Angelina Circle?

YES -6                      NO -5

Additional Information: The even numbered homes would lose 19 trees for a sidewalk. I will lose 2 driveway parking places.

If yes, it needs to be on the south side. The north side, the homes have berms that keeps the flooding to a minimum.

Waste of tax dollars. Would destroy too many trees. Invites undesirables to the neighborhood. Sidewalk would turn into pet pooper walk.

Higher City priorities. Minor street.

While Bee Creek neighborhood has become more rental, they have been fantastic neighbors. My problems is a sidewalk going down Angelina. There is no real reason this should be a walking trail. It will mess up our drainage, having rainwater going through our actual houses.

People should not have to walk in the streets.

We live on the other side of Angelina and Southwood. A sidewalk would be nice, but the neighbors being affected should have a voice.

Please take the least amount of trees.

#### **GLADE STREET BIKE LANE – 17 questionnaires returned**

Do you own property with frontage on Glade Street?

YES -7

NO -10

Do you live in a home with frontage on Glade Street?

YES -7

NO -10

Which option do you believe best serves the South Knoll Area?

4 Glade Street with a striped bike lane **(4 non-owner/resident)**  
(parking not permitted on either side of the street)

6 Glade Street as a designated bike route **(1 owner/resident, 5 non-owner/resident)**  
(Parking not permitted on the east side of the street between the hours of 7:00 a.m. and 6:00 p.m.)

5 No bicycle accommodations on Glade Street **(5 owner/residents)**  
(parking permitted on both sides)

Additional Information: People who live, drive, bike Glade should know best. Not for me to decide their fate (didn't vote).

Add sidewalk on east side

Keep sidewalk in good condition, add speed bumps, add signs advertising children.

Bikes have equal rights- control speed to 30 mph better signage – children, bikes.

Improve existing sidewalks and add walks to other side.

**ON-STREET PARKING IN SOUTH KNOLL – 43 questionnaires returned**

Do you own property in the South Knoll Area? **yes- 35**

Do you live in the South Knoll Area? **Yes - 31, No-4**

What street(s) do you live/own property on?

Which option do you believe best serves the South Knoll Area?

12 The City should allow residents to request on-street parking removal on their street for neighborhood integrity reasons (not just safety reasons) if the majority of property owners are in favor of the request.

Augustine Court

Caudill Street (2)

\_\_\_ 11 \_\_\_ Do not remove on-street parking in the South Knoll Area.

Comal Circle  
Glade Street (3)  
Medina Dive  
Shadowwood Drive  
Welsh Avenue

\_\_\_ 3 \_\_\_ ADDITIONAL WRITE-IN: No on-street parking

**\*\*\*37 that some parking removal should occur. 11 responses indicated that no parking removal should occur.\*\*\***

Additional Information: Parking on both sides of our streets has changed the character of our neighborhood for the worse and caused safety issues for those driving down those streets and coming out of driveways.

I think homeowners who entertain family, football weekends, etc. should be considerate and work it out together.

1212 S. Dexter should have parking removed from one side, if not both.

Street cleaners should come at night when there are no cars and not before bulk pick-up

No one street parking (for safety and integrity reasons).

Allow parking spaces 1/bedroom on the property to avoid on street parking all the time.

Please patrol all residential areas and ticket all vehicles improperly parked (parked on wrong side) going wrong way against traffic.

On the curve of Angelina if cars, trucks, etc. are parked it is a hazard for all of us in case of an emergency.

No on street parking – exception – dinner guests, showers, game night, etc.

Parking on one side of street to allow for guests etc. seems reasonable. However, enforcing that would probably be sporadic or difficult to be the reality.
