PERMIT TO CONSTRUCT NON-COMMERCIAL ACCESS DRIVEWAY FACILITIES ON CITY OF COLLEGE STATION RIGHT-OF-WAY

TO:

Dear Sir or Madam:

The City of College Station hereby authorizes the construction on public right-of-way for development of access to your property which abuts

provided you agree to and comply with the following conditions:

1. Design of facilities shall be as follows and/or as shown on sketch:

2. Maintenance of facilities constructed hereunder shall be the responsibility of the property owner, and the City reserves the right to require any changes, maintenance or repairs as may be necessary to provide protection of life or property on or adjacent to the public right- of-way. Changes in design will be made only with approval of the City Engineer.
3. The owner shall hold harmless the City and its duly appointed agents and employees against any action for personal injury or property damage sustained by reason of the exercise of the permit.

The City of College Station will assist as follows:

This permit shall not be valid until owner signs the statement in which he agrees to comply with the conditions herein. The City Engineer should be contacted at least twenty-four (24) hours before beginning the work authorized by this permit.

City of College Station

By: _____
City Engineer

I (We), the undersigned, hereby agree to accept and comply with the terms and conditions set out in this permit for construction of access driveway facilities on public right-of-way.

Signed: _____

Access Driveway Regulations

The State Highway and Public Transportation Commission, in recognition of its responsibilities for the safety and utility of public highways under its jurisdiction, has directed the adoption of the rules and regulations to accomplish a coordinated development between highways and abutting property. For this purpose, the booklet entitled "Regulations for Access Driveways to State Highway" was published and adopted, setting out departmental policies to regulate construction and maintenance of access driveway facilities.
