

AVOID

PARKING TICKETS IN COLLEGE STATION

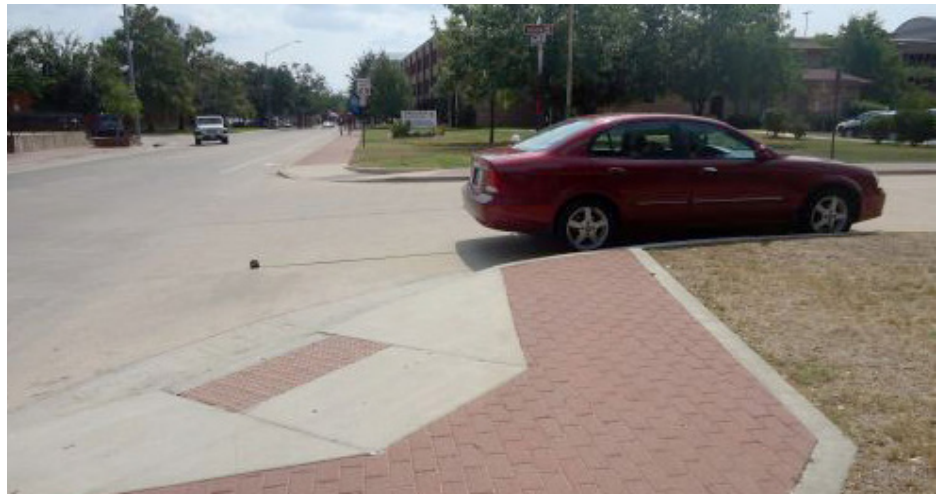

Help us ensure residential streets remain safe and accessible for everyone, especially emergency vehicles.

▶ Don't park on the grass within city limits.

▶ Don't park facing traffic. Park in the direction of traffic flow.

▶ Don't park within 20 feet of a marked or unmarked crosswalk.

▶ Don't park within 15 feet of a fire hydrant.

▶ Don't park in no parking zones.

MORE TIPS:

- ▶ Don't park within 30 feet of a traffic control device.
- ▶ Don't sell parking in a residential neighborhood.
- ▶ Don't park in bike lanes or loading zones.
- ▶ Don't block driveways.
