

10 TIPS *TO THRIVE* IN *College Station*

AVOID CODE VIOLATIONS

Many people don't think about city codes until they receive an unwelcome citation. Familiarize yourself with our city codes by visiting cstx.gov/CodeEnforcement.

DON'T STEAL SIGNS

Traffic and street signs protect public safety. Sign theft is a criminal offense that can lead to six months in jail and a \$2,000 fine.

MEET YOUR NEIGHBORS

Introduce yourself and exchange contact information in case of emergencies or other problems. After all, if an issue arises, would you rather they call you or the police?

KEEP THE NOISE DOWN

That includes barking dogs. It's unlawful for anyone to willfully make or allow continued loud noise, especially from 10 p.m.-6 a.m. If you can hear the noise at the end of your property line, then it's too loud, and everyone on your lease risks a citation.

SEE, CLICK, FIX!

Notice something off in your neighborhood? A street sign is missing, bulky trash that didn't get picked up, or other issues that need to be addressed? Let the City know through See, Click, Fix. You submit the issue through the platform and it gets routed directly to the department in charge of solving the issue.

SECURE YOUR PROPERTY

Take or hide your valuables before exiting your vehicle and lock your doors. Keep your residence locked and your garage door down as well. And don't leave boxes from your new, expensive purchases out for collection—that's an advertisement for thieves. Instead, break the boxes down for your recycling or trash container, or put them out just before your scheduled bulky collection. If you see any suspicious activity, report it to College Station Police Department at 979.764.3600.

TEND TO YOUR PETS

If you're not on your property, your dog must be on a leash—and be sure to clean up after them. Dogs, cats, and ferrets must be licensed, tagged, and vaccinated in Brazos County. Even if your pet is licensed in another county, you still need to get a tag here. You can purchase tags through your vet or the Aggieland Humane Society (**AggielandHumane.org**). Learn more about our animal control ordinances at **cstx.gov/AnimalControl**.

NEVER MISS A COLLECTION DAY

Download our free College Station Curbside app to always know your recycling, trash, brush, and bulky collection days. You'll also get notified of collection changes and can set reminders, report issues, and more.

DON'T PARK...

- Facing traffic
- Within 15 feet of a fire hydrant
- Within 20 feet of a crosswalk
- Within 30 feet of a traffic control device
- In no parking zones, bike lanes, or loading zones
- Blocking driveways
- On the grass in the city limits

STAY INFORMED

Keep up with city events, programs, emergencies, notices, and more by following us on social media. We'd love to hear from you, too!
