

I love
monarch
butterflies

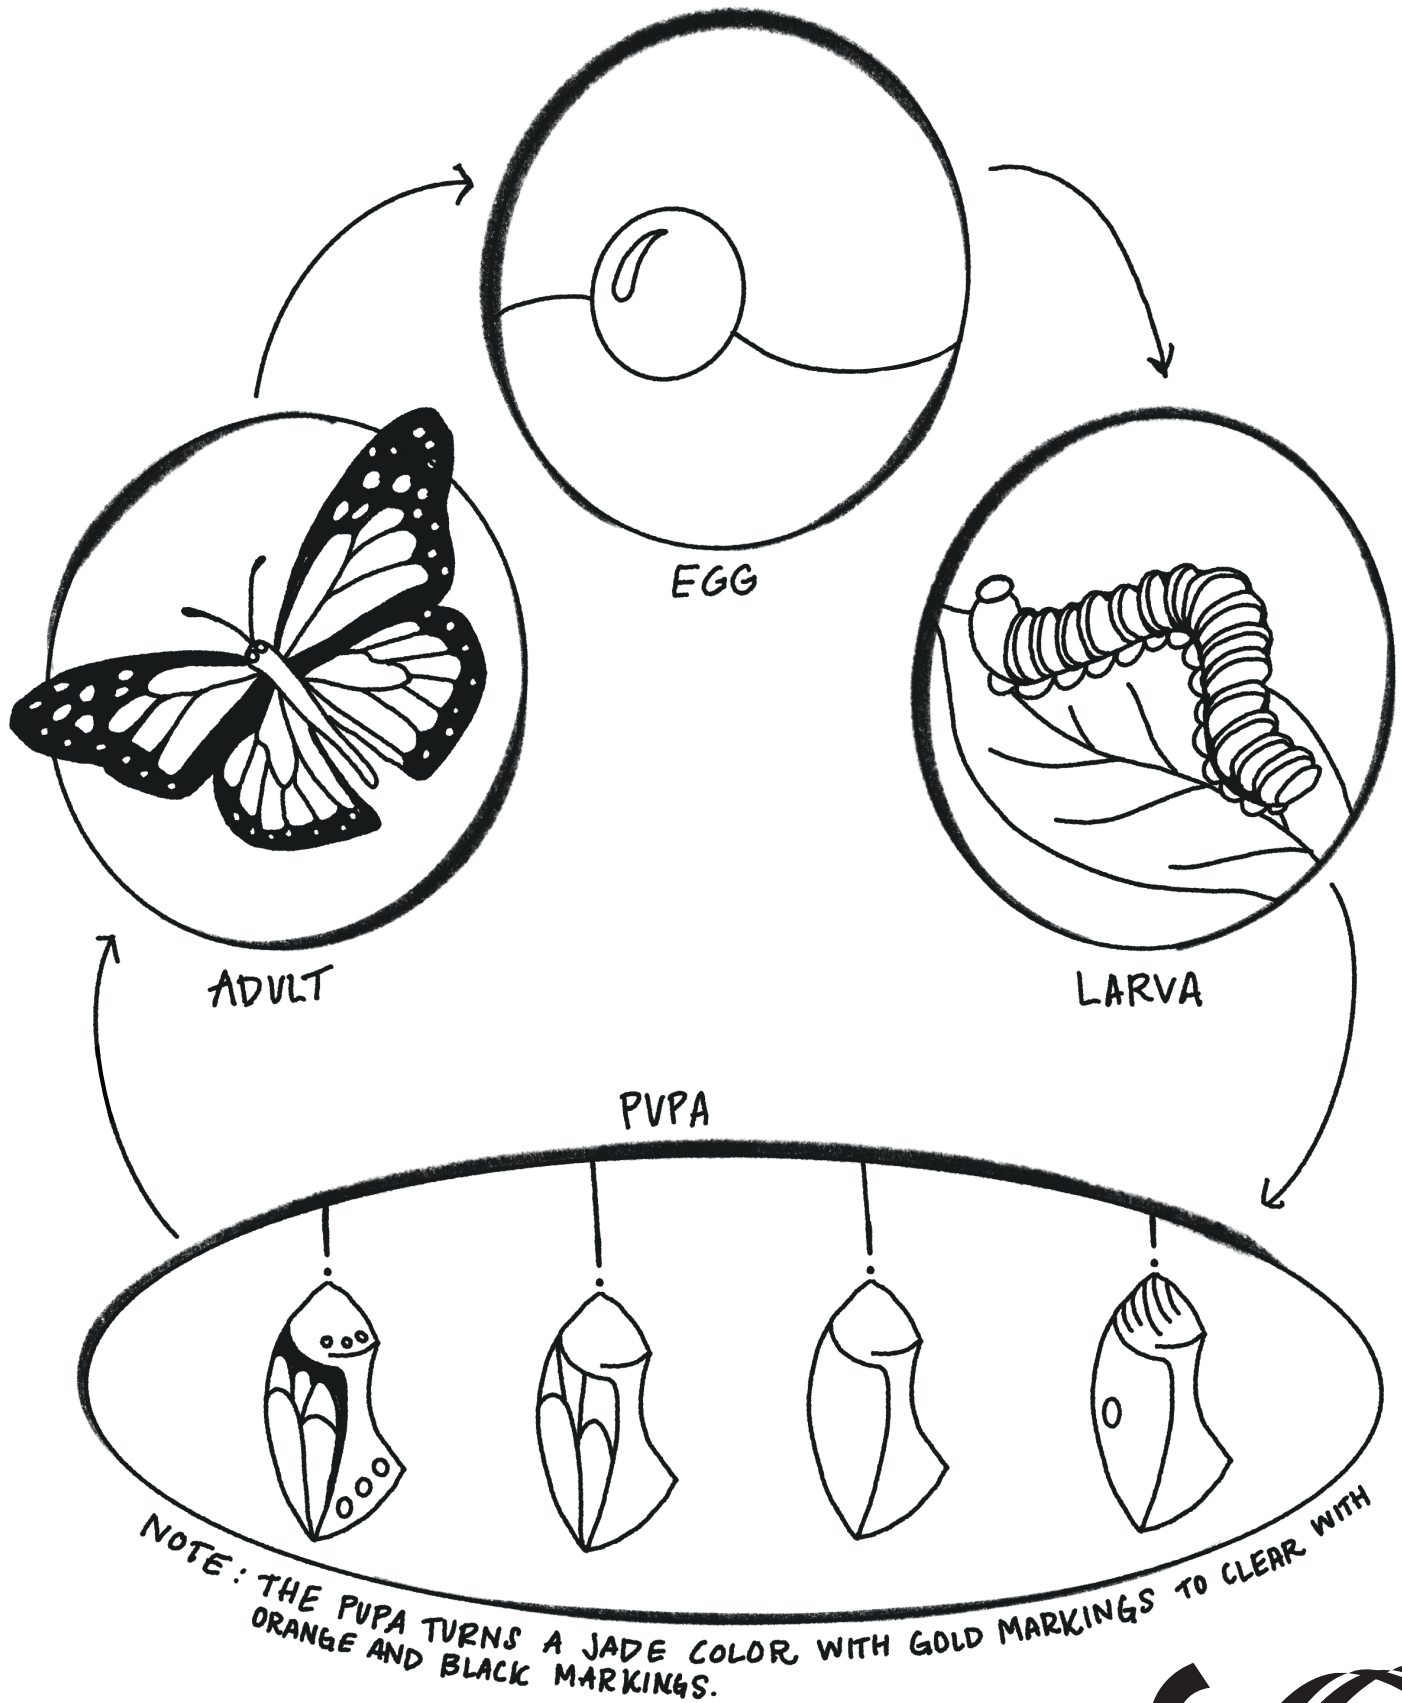

The text is rendered in a large, bubbly, cursive font. Several monarch butterflies are integrated into the design: one on the left of 'I', one on the right of 'love', one on the 'n' of 'monarch', one on the 't' of 'butterflies', and one at the bottom left. A caterpillar is on the 'a' of 'monarch', and another is on the 't' of 'butterflies'.
